Medicare Part D prescription drug coverage†

The amount you pay for drugs will be different depending on:

- The tier your drug is in. To find out which of the 6 tiers your drug is in, see our Part D formulary at kp.org/seniorrx or call Member Services to ask for a copy at **1-888-777-5536**, seven days a week, 8 a.m. to 8 p.m. (TTY **711**)
- The day supply you receive.
- The type of network pharmacy that fills your prescription (preferred retail pharmacy, standard retail pharmacy, or our mail-order pharmacy). See the **Pharmacy Directory** for our list of network pharmacies at kp.org/directory.
- The coverage stage you're in (initial or catastrophic coverage stages).

Initial coverage state

You pay the copays and coinsurance shown in the chart below until your total yearly drug costs reach **\$5,100**. (Total yearly drug costs are the amounts paid by both you and any Part D plan during a calendar year.) If you reach the \$5,100 limit, you move on to the catastrophic stage and your coverage changes.

Tier	Plan F with Part D				
	Preferred Pharmacy (up to a 60-day supply)	Standard Pharmacy (up to a 60-day supply)	OON Pharmacy (up to a 30-day supply)	LTC Pharmacy (up to a 31-day supply)	Mail Order (up to a 90-day supply)

Tier 6 (Vaccines)	\$0	\$0	\$0	\$0	Not Available

Many drugs can be mailed to you through our network mail-order pharmacy (not all drugs can be mailed).

Catastrophic coverage stage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$5,100, you pay \$2 for generic drugs and \$7.50 for brand-name drugs and \$0 for vaccines.

Long-term care and non-plan pharmacies

If you live in a long-term care facility and get your drugs from their pharmacy, you pay the same as at a plan pharmacy and you can get up to a 31-day supply. If you get covered Part D drugs from a non-plan pharmacy, you pay the same as at a plan pharmacy and you can get up to a 30-day supply. Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details.

Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from plan providers listed in our **Provider Directory** and **Pharmacy Directory**. But there are exceptions to this rule. We also cover:
 - Care from plan providers in another Kaiser Permanente Region
 - Emergency care
 - Out-of-area dialysis care
 - Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
 - Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers.

Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. You aren't restricted to a particular plan facility or pharmacy, and we encourage you to use the plan facility or pharmacy that will be most convenient for you. To find our provider locations, see our **Provider Directory** or **Pharmacy Directory** at kp.org/directory or ask us to mail you a copy by calling Member Services at **1-888-777-5536**, 7 days a week, 8 a.m. to 8 p.m. (TTY **711**).

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You may choose any available plan provider to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services or at kp.org/mydoctor/connect.

Help managing conditions

If you have more than 1 ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

Notices

Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision. If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details.
