Health. We offer more than just glasses and contact lenses. Our optometrists and ophthalmologists provide high-quality eye care. Regular eye exams can detect not only vision problems, but also certain health conditions.

Convenience. Getting your eye exams and eyewear is simple. You don't need a referral to schedule a basic eye exam. Just call us to make an appointment.

Service. Our opticians can help you find just the right look. Whether you work at a computer or travel the globe, we can fit you with glasses or contact lenses that suit your style and your lifestyle.

Quality. Choose from a wide selection of frames, lenses, and contact lenses for any lifestyle and any budget. You'll find brands like Calvin Klein, Nike, and Ray-Ban, plus a full line of sunglasses.

Peace of mind. We want you to feel good about your look and your purchase. Any glasses you purchase from Vision Essentials come with a 90-day prescription guarantee. We also offer a 1-year protection plan for \$35 against broken or scratched lenses (but not lost lenses).
